**THANK YOU!!!!**

•We would like to thank all of our sponsors for whom without their support and generosity this event would not be possible. They truly believe in and support the children of this great nation and Toys for Tot's.

•To the Marine Corps League, Engineer Co B, Mud Run Staff, the American Red Cross, and our many volunteers who without their support, generosity and dedication to supporting this event, we would have never been able to make this all happen.

•Finally, to our runners, we thank you for coming out, and having fun in the MUD with us! Your contribution will help those less fortunate—thank you.

Semper Fi!

## Welcome to the 6th Annual Marine Mud Run, benefiting Toys for Tot's

### Marine Corps League

The St Joseph Valley Detachment of the Marine Corps League, a non-profit organization, is proud to Sponsor the 6th annual Marine Mud Run. 95% of the proceeds raised from this event will be donated to the Toys for Tots Campaign with the remaining monies being used to cover cost. We are all volunteers and therefore are not paid.

The Marine Corps League Founded in 1923 and chartered by an Act of Congress in 1937, members of the Marine Corps League join together in camaraderie and fellowship for the purpose of preserving the traditions and promoting the interests of the United States Marine Corps.

### Toys for Tot's

The U.S. Marine Corps Reserve Toys for Tots Program began in 1947 in Los Angeles, CA, when it was noticed there was no charity that distributed toys to deserving children during the traditional Christmas season. Since its inception, the Toys for Tots Program has grown into a nationwide effort, coordinated by U.S. Marines with the support of communities, businesses and charitable organizations across the country to help disadvantaged children learn the meaning of holiday giving through the gift of a new, unwrapped toy.
